The little black dress tie club (LBDT) is a group of diverse, influential individuals with a common vision: a community where women do not live in poverty; are treated with dignity and respect; are strengthening their families and building their careers.

Members of LBDT not only support our programs and women in our community, but also become a member of an exclusive donor program and enjoy benefits such as being recognized at the reception of our annual signature event, featured on our website, at our community breakfast events and in our bi-monthly Inside Look newsletter.

The little black dress tie club members will be featured on our LBDT wall of recognition at the Dress for Success Cleveland offices in our Education Center.

Memberships are:
- $250 for 2 years with option to renew
- $150 for 1 year with option to renew
