Hello,

Civic engagement is a priority at Dress for Success, and in a year where we celebrate 100 years of suffrage for women in the U.S., we are proud about Dress for Success' partnership with When We All Vote, a non-profit, nonpartisan organization (co-chaired by Michelle Obama) that is on a mission to increase participation in every election and help close the race and age voting gap.

Dress for Success clients, volunteers, and supporters are leaders in our community. As leaders, we all agree—with important races up and down the ballot in 2020, there's too much at stake to sit these elections out. And with just 100 days left until Election Day, the clock is ticking to ensure every eligible American is registered and ready to vote.

Will you help Dress for Success reach our goal of 2,000 registered voters?

- If you have not registered to vote, visit the Dress for Success portal and register now! weall.vote/dfs
- If you have registered to vote, share this link with five people, and encourage them to register!

Thank you for registering and for spreading the word to make sure the voices of women are heard this Election Day. We'll be in touch with updates on our progress to 2,000 voters registered because of the power of the Dress for Success network of support!
